## Contemporary jewelry for your Lifestyle

We invite you to browse through our newest collections of jewelry at both locations. Michael J. Boillot opened his first design studio in 1978 and has been creating trend setting jewelry ever since. The winner of numerous international and national design awards, Michael applies his God-given talent to creating original designs from the most unusual and finest quality gemstones available. Michael's Creative Jewelry is a full service Jeweler. We specialize in custom designs and can also repair broken jewelry and appraise with 4 Gemologists on staff. Please stop by one of our two valley locations so we can show you our brand of jewelry design available only at Michael's.
